Custom Wire Harnesses. Trust the expert wire harness fabrication done by Agri-Services in Alden, New York. We make custom wire harnesses with the look and appearance of older harnesses, but that are rated today's safety standards. Each harness is patterned from an original harness and made to order for your tractor.

Wire Harness Fabrication | Alden, NY

Crimp the mating pin from the AutoZone Ford electrical connector pin kit onto the 18 gauge pigtail. What you are doing is adding an extension onto the white/pink wire, so you use a male pin to plug into the female pin that was in the ignition switch connector. Doing it this way will allow a neat and easy way to return to the stock configuration.
