Managerial Accounting helps students see how managerial accounting concepts are used in business to make decisions. By presenting actual accounting decisions made in companies like Target and Macy's, the text's precise coverage of the core concepts better engages students in the content. With new problems, cases, and applications in the 5th Edition, students receive the most up-

~~Accounting 5th Edition ...~~

Financial Accounting for Management: An Analytical Perspective, 5e, has been substantially revised to capture new provisions of statutory requirements. A greater emphasis has been laid on simplifying concepts and increasing the usefulness of the text for the students. This has been achieved by introducing new chapters, rewriting certain initial chapters, introducing simpler and smaller illustrations, and including new exercises in all the chapters.
