Leesburg, Va., June 29, 2012 – The National Automotive Technicians Education Foundation (NATEF) today announced one of the most significant changes to the program in the organization's history. The update

to the NATEF
standards used to
accredit
automotive training
programs at the
secondary and post-
secondary school
level reflects the
changing needs of
the automotive
industry for entry-
level technicians.

NATEF Updates

Program Standards

- ASE
All Instructors are
required to
maintain current
ASE Certifications,
ensuring the
technicians of
tomorrow are
learning first hand
from automotive
service
professionals.
