Little Goose's Autumn is a second stunning story from an exciting picture book pairing and the uplifting tale of a lively young goose finding her place in the world. As summer fades to autumn, a lively young goose feels a change in the air and senses she has something important to do – but what? The beavers are chopping wood, the squirrels are storing nuts in the ground and the bears are busy building a den. The plucky little goose tries to join in, but without great success. She realizes her wings weren't built for chopping wood, or burying
