deriving from articles, lectures, letters, program notes, and interviews, and another contains critical, substantive articles about Martin and his work written in English, German, French, Dutch, and Italian. More than 25 formal papers in various languages, including some subsequently published dissertations, are referenced and the work concludes with two appendixes and an index.

In this expanded and updated edition, *The Piano in Chamber Ensemble: An Annotated Guide* features over 3200 compositions, from duos to octets, by more than 1600 composers. Maurice Hinson and Wesley Roberts catalog published works for piano with two or more instruments with information on performance level, length, individual movements, overall style, and publisher. Divided into sections according to the number and types of instruments involved, *The Piano in Chamber Ensemble* then subdivides entries according to the actual scoring. Keyboard, string, woodwind, brass, and percussion players and teachers will find a wealth of chamber works from all periods in this invaluable guide.
