*Birthing from Within: An Extra-Ordinary Guide to ...*

Birthing From Within really is an extraordinary guide to childbirth preparation. Whereas most childbirth preparation books focus on the clinical and gestational aspects of this magical journey into parenthood and birth, Birthing From Within focuses on the aspects that are less physical and more emotional and spiritual. It successfully covers all of the technical and physical knowledge in a ...

England, a registered nurse and certified nurse midwife, developed the "birthing from within" approach in a series of birthing classes to help mothers reclaim and celebrate the spiritual, emotional, and psychological aspects of birth as a rite of passage. Her book is a collection of methods that have been used for class participants.
