Engineering Record, this revised edition includes information on recent technological advances such as laser scanning, new case studies, and expanded material on the documentation of historic landscapes.

What if by breaking six specific rules, you could throw off the shackles of other people's expectations and pursue a more authentic and liberating faith? Popular author and speaker Bill Perkins challenges men to follow Jesus' example: refuse to be handcuffed by rules that aren't God-given. Drawing on personal stories

and Scriptural examples, Bill shows how defying these rules will help you to live a courageous and credible life free from hypocrisy and to unleash the passionate faith that resides within you. You can strengthen your connection with Christ by depending on him—not man-made rules—to transform you into the man he created you to be.
