**Body Is The Barometer Of The Soul**

A barometer is a scientific instrument that is used to measure air pressure in a certain environment. Pressure tendency can forecast short term changes in the weather. Many measurements of air pressure are used within surface weather analysis to help find surface troughs, pressure systems and frontal boundaries. Barometers and pressure altimeters are essentially the same instrument, but used for different purposes. An altimeter is intended to be used at different levels matching the correspondin

The body/mind is the barometer of the soul. 'Everything I need to know is revealed to me, everything I need comes to me' (Louise Hay) The thoughts we have held and the words we have repeatedly used have created our life and experiences up to this point. What we choose to think and say in this moment is creating our experience of today, tomorrow, next week, next year, etc.
