An assessment of how SUPERFUND is being implemented and the impacts of statutory provisions and program policies on environmental effectiveness and economic efficiency. This special report presents 10 case studies of SUPERFUND decisions at sites which are representative of a broad range of contamination problems and cleanup technologies.

A gripping horror tale that deftly weaves Indian lore with suspense amid a northern Michigan setting

The definitive book on steak has never been written-until now "Of all the meats, only one merits its own structure. There is no such place as a lamb house or a pork house, but even a small town can have a steak house." So begins Mark Schatzker's ultimate carnivorous quest. Fed up with one too many mediocre steaks, the intrepid journalist set out to track down, define, and eat the perfect specimen. His journey takes him to all the legendary sites of steak excellence-Texas, France, Scotland, Italy, Japan, Argentina, and Idaho's Pahsimeroi Valley-where he discovers the lunatic lengths steak lovers will go to consume the perfect cut. After contemplating the merits of Black Angus, Kobe, Chianina, and the prehistoric aurochs-a breed revived by the Nazis after four hundred years of extinction-Schatzker adopts his own heifer, fattens her on fruit, acorns, and Persian walnuts, and then grapples with ambivalence when this near-pet appears on his plate. Reminiscent of both Bill Bryson's and Bill Buford's writing, Steak is a warm, humorous, and wide-ranging read that introduces a wonderful new travel and food writer to the common table.

To Be A Pioneer is a 111-page supplementary reading material designed to provide information about the pioneer movement. The book includes recipes for pioneer foods, instructions for candle making, quilting and rug braiding, and details about the lives of the pioneers such as how they constructed a door latch. The specified instructional level spans grades 3 through 6. JAG, 4-76

A young boy is worried about what will happen to his body when he hears such expressions as "I'm tongue-tied," "don't give me any of your lip," and "I put my foot in my mouth."

With three months remaining of her marriage of convenience, Savannah is ready to say goodbye to her spoiled rich boy of a husband. He's annoying and argumentative and used to always getting his way. Sure, he's hot. And maybe occasionally a little bit sweet. But she doesn't want to stay married to him. Not at all. He needed a wife for a year so he could inherit his grandmother's fortune, and she needed to pay off her family's debts. That's all their marriage has ever been about. So she really needs to stop falling into bed with him.

Chicago is known for many things: jazz, Al Capone, being the windy city. But it is also home to one of the world's most haunted cemeteries, Bachelor's Grove, and, fittingly, Rick Hale, a master paranormal investigator and scholar of all things haunted. This is his account of how he became interested in the spookier side of life, which all started with an encounter with an innocuous spirit in his grandmother's home.Read all about his adventures battling dark entities, helping the perplexed at a loss at what to do with their resident ghosts, meeting the ghosts at the Stanley Hotel, aka The Overlook to horror movie buffs, finding out about alien abduction and many more unnerving encounters. To find out what it takes to not only be a ghost hunter, but ultimately, how one man dealt with one of the biggest challenges life threw at him, open this book and be prepared for a bumpy ride!
