Poetry heals. In a world torn by strife and shaken by stress, poetry is what children need. Poetry Magic takes children to the magical world of poetry and aspires to inculcate in them a love for it. Selected and edited by two of India s greatest living poets, Ruskin Bond and Keki N Daruwalla, these books are carefully graded into eight parts. Also available web support at www.ratnasagar.co.in

WHAT'S NEW in CCE Edition? The revised edition of Communicate in English, based on the CCE approach and extensive feedback from schools, will empower learners to communicate and express themselves in English. It will also equip them for a rapidly changing global scene. This edition reflects the changing trends and developments in the communicative approach. KEY FEATURES OF THE SERIES * The books in this series are carefully graded and classroom-tested. * The texts are based on interesting and contemporary topics. The latest relevant information on issues like ENDANGERED ANIMALS, SPORTS and ENVIRONMENT has been included. * A short introductory activity at the beginning of each lesson/unit warms up the student for the text to come. * Exhaustive exercises have been given to develop the skills of comprehension, vocabulary, grammar, punctuation, communication and dictionary reference. The grammar section is well-graded with definitions, interactive grammar tasks and activities. * The MOTS questions focus on critical thinking and analytical skills of the students, rather than memorizing skills. * The writing section has enough practice in functional and imaginative writing. Scaffolding in the writing tasks will help to develop confidence in students. * Enjoyable interactive group tasks give learners a framework to practise the language meaningfully. * The series provides extensive language practice through stimulating learner-centred creative tasks. New General Knowledge Today is a series of 9 books for classes pre-primary to 8. This revised series has been designed to make classroom learning more interesting and interactive and the child is tuned in to the latest developments around the world.

Living Science for Classes 9 and 10 have been prepared on the basis of the syllabus developed by the NCERT and adopted by the CBSE and many other State Education Boards. Best of both, the traditional courses and the recent innovations in the field of basic Chemistry have been incorporated. The books contain a large number of worked-out examples, illustrations, illustrative questions, numerical problems, figures, tables and graphs.

The series, Awareness Social Sciences for classes VI, VII and VIII is based on the syllabus as specified by NCERT for the latest sessions. The syllabus has tried to link the academic curriculum with real life and, thus, dwelled on connecting the students' understanding with the real world around them. Accordingly, this book has incorporated real life examples , case studies, story lines and narratives which could be immensely helpful in assimilation and to inculcate interests among the students significantly.
