Sinopsis. Carmela y Gerónimo son grandes amigos desde la adolescencia, y se puede decir que se conocen tanto que puede llegar a ser molesto, ambos compartieron vacaciones, salidas, también se consolaron luego de algún amor fallido y camuflaron grandes resacas con sus familias fingiendo males e inventando mentiras de todo tipo. Ellos se quieren y odian en partes iguales, Gero es un mujeriego empedernido, Mela una maniática controladora y aman llamarse con despectivos sobrenombres como "blonda tonta" y "estúpido nerd" y aunque la mayor parte del tiempo la dedican a discutir, una noche su amistad se vio levemente alterada, cuando tras una mala cita Carmela buscó refugio en los brazos de su amigo Nerd, traspasando de esa forma la barrera chica-chico que siempre tuvieron por norma. De un momento a otro Carmela deberá poner sobre la balanza su amistad con el mujeriego número uno, sabiendo que quien juega con fuego puede salir quemado. En esta oportunidad Mia del Valle nos presenta la historia de Carmela y Gerónimo, amigos de Clara «protagonista de la bilogía Chantaje 1 y 2» Nerd, una novela romántica, ácida y llena de humor.

An exploration of the world of magic that teaches the reader many tricks--including how better to

understand the real world. Alex Stone--journalist and part-time conjurer--is here to amaze you. But first he had to amaze his fellow magicians. Fooling Houdini is his fascinating, revealing, and nailbiting account of his attempt to win the 23rd World Championships of Magic, the "Magic Olympics," the largest and most prestigious competition of its kind. Alex Stone managed to qualify for entry and began preparing to astonish people who astonish others for a living. It didn't help his nerves that he was placed on the bill straight after Canadian magician Shawn Farquhar, winner of more magic competitions than anyone in history. Stone's preparations and participation provide his readers with in-depth exploration of the world of magic, and magic's meaning. He spills many professional secrets, arguing that what is important is to ask questions about what lies behind the tricks: how the mind perceives the world and parses everyday experience, about how the mind works--and why sometimes it doesn't, about why people need to believe. As we become more attuned to the limits of our own perception, we become better at distinguishing reality from illusion, at reading the angles and decoding the fine print, he says. We gain intuition and understanding into how people behave. We even learn ways to influence this behavior. This makes us less susceptible to all manner of deception. It is to gain and maintain this sixth sense that Alex Stone--a schoolboy prestidigitator--has continued performing magic well into adulthood. In Fooling Houdini he takes us into that other world, populated by truly astounding characters, and leaves us with a heightened sense of awareness about the supposedly real world.

A failed history professor hoping to advance his career tries to capitalize on his extensive knowledge of the Mexican Revolution and its leaders in this play, which enjoyed enormously popular success after its 1948 publication and continues to attract contemporary audiences. *El gesticulador* (The Impostor) is regarded by literary historians as the play that signaled the start of modern Mexican drama. Set in 1930s post-revolutionary Mexico, its basic ingredients are history and myth, honesty and duplicity, truth and falsehood as well as political intrigue, corruption, party politics and the social dynamics of the Mexican family. Considered by some as an ill-disguised attack against Mexican values and traditions and especially against the Revolution and the party in power, the play was rejected and criticized by government officials and labor leaders while still enjoying popularity. Because of its treatment of Mexico's cultural traits and the universality of its themes, *El gesticulador* has retained currency and relevance through the years and has been translated into several languages.

50th Anniversary Edition With a New Preface and Two Bonus Essays The most influential critique of psychiatry ever written, Thomas Szasz's classic book revolutionized thinking about the nature of the psychiatric profession and the moral implications of its practices. By diagnosing unwanted behavior as mental illness, psychiatrists, Szasz argues, absolve individuals of responsibility for their actions and instead blame their alleged illness. He also critiques Freudian psychology as a pseudoscience and warns against the dangerous overreach of psychiatry into all aspects of modern life.

El ex oficial del ejército, el capitán Peter Wicks, ahora dado de baja médicamente y que vive en los Cotswold con su esposa Jessie, recibe una misteriosa oferta de empleo días antes de cumplir 45 años. Al aceptar la oferta bien pagada, se ve envuelto en una red de espionaje, chantaje, tráfico de armas y asesinatos. Más tarde descubre que es más difícil liberarse de la organización que unirse a ella. ¿Cómo puede escapar de las garras de "El Mayor" y su organización, mientras él y su familia están bajo amenaza? ¿Lo ayudará su amigo en GCHQ a exponer al hombre que representa un peligro para él, sus amigos, su familia y su matrimonio?

"Zarathustra" was Nietzsche's masterpiece, the first comprehensive statement of his mature philosophy, and the introduction of his influential and well-known (and misunderstood) ideas including the "overman" or "superman" and the "will to power." It is also the source of Nietzsche's famous (and much misconstrued) statement that "God is dead." This classic was due for an update and overhaul. A considerable part of Nietzsche's genius is his ability to make his language dance, and this is what becomes extraordinarily difficult to translate. Aphorist and punster Thomas Wayne puts the play back into this work.

En Mi Papi es un Apuesto Príncipe Julián es un pobre ayudante en una cafetería que apenas llega a pagar el alquiler cada mes. Un día, conoce a un guapo y misterioso extraño que se presenta como Príncipe Adrien, quien le arrastra a un mundo de riqueza y poder, amor y pasión, secretos e intriga. Cuando la bala de un asesino falla al intentar matar al Príncipe, ambos se verán obligados a huir a los áticos de Nueva York, a los barrios viejos de París, al calor de Santa Lucía. La pareja intentará ir un paso por delante de la muerte mientras se embarcan en esta emocionante huída. Escrita con el estilo obsceno, sensual y lascivo de una novela de Jackie Collins esta historia te excitará y te mantendrá en vilo de principio a fin. Por favor, tenga en cuenta que esta historia contiene material explícito de carácter homoerótico y homosexual y no está recomendada para menores de 18 años. Se aconseja la discreción del lector. Esta es una obra de ficción producto de la imaginación del autor, cualquier parecido con personajes, lugares o eventos de la realidad no son intencionados y son pura coincidencia. Tenga en cuenta también, que todos los personajes han superado la edad adulta según la Ley. Renuncia: La siguiente historia es con fines de entretenimiento. El autor no tendrá ninguna responsabilidad legal como resultado de cualquier práctica sexual que el lector decida recrear. Se anima a practicar siempre sexo seguro. 5000 palabras
