Guns, Germs, and Steel Chapter 4 Summary - eNotes.com

Gun control advocates say the words don't address individuals' right to arm themselves, only the state's ability to marshal a National Guard or similar force. For decades, an unclear, 1939 US Supreme Court decision guided federal courts, which sided with gun control proponents and furthered the only-a-militia view of gun rights.

Summary. Individuals use firearms legally for a variety of activities, including recreation, self-protection, and work. However, firearms can also be used to intimidate, coerce, or carry out threats of violence. Fatal and nonfatal firearm violence 1 poses a serious threat to the safety and welfare of the American public. Although violent crime rates have declined in recent years, the U.S. rate of firearm-related deaths is the highest among industrialized countries.
