Rattigan's well-loved play about an unpopular schoolmaster who snatches a last shred of dignity from the collapse of his career and his marriage. Twice filmed (with Michael Redgrave and Albert Finney) and frequently revived. Andrew Crocker-Harris' wife Millie has become embittered and fatigued by her husband's lack of passion and ambition. On the verge of retirement, and divorce, Andrew is forced to come to terms with the platitude his life has become. Then John Taplow, a previously unnoticed pupil, gives Andrew an unexpected parting gift: a second-hand copy of Robert Browning's translation of Agamemnon - a gift which offers not only a opportunity for redemption, but the chance to gain back some dignity. This volume also contains Harlequinade, a farce about a touring theatre troupe, written to accompany The Browning Version in a double-bill under the joint title, Playbill. Booker Taliaferro Washington began life as a slave in Virginia shortly before emancipation, but rose to become one of the most celebrated leaders the African American community has ever had. His principal occupation was as president of the Tuskegee Institute, which he founded in 1881, but he earned national renown as an orator, writer and political advisor. His address at the Atlanta Exposition was a pivotal moment in race relations in America. Washington believed deeply in the dignity of physical labor, and that merit and talent are eventually rewarded regardless of race or class. The Tuskegee Institution was primarily a technical college, and aimed to teach industrial skills in addition to academic training. Students built many of the buildings on the campus, grew the food that was eaten there, and even made the furniture, tools and vehicles used by the school. Up from Slavery was originally published as a serialized work in The Outlook, a Christian magazine based in New York, before being collected in a single volume in 1901. This edition includes an introduction by Walter H. Page, a future U.S. ambassador to the United Kingdom. This book is part of the Standard Ebooks project, which produces free public domain ebooks.
