CNA and Nurse Assistant Pre-Employment Test

Some nursing assistants can become Certified Nursing Assistants (CNAs) by studying under a program designed to prepare them for the Certified Nursing Assistant (CNA) exam. Two tests commonly used by healthcare providers in order to ensure their nursing aides are dependable, trainable, and have patient-friendly personalities are the Criteria Basic Skills Test (CBST) and the Customer Service Aptitude Profile (CSAP). The CBST measures basic verbal, math, and communication skills,

The test has just been updated for December 2020. This is the first test in a series that covers the knowledge and skills of basic nursing you'll need as a new certified nursing assistant (CNA). The questions are based on the same categories that are included in the official exam. The test covers the following topics: patient safety and emergency situations, positioning the patient, use of restraints, learning the metric system, and preventing your own injuries.
