Scenario 1 The definition of a contract is a formal or legally binding agreement between two or more parties. This can be verbal, written or in standard format. A contract should be fully understood by all parties included and a signature may be required in some cases as evidence of understanding.

Contract Law Essay | Bartleby
The law of contract is concerned about the legal enforceability of promises. In that context, a contract may be described as an agreement that the law (the Courts) will enforce. This notion of enforceability is central to contract law. If you break (breach) the contract, the other party has several legal remedies.
