To the Empire, Owen Deathstalker is an Outlaw. To the inhuman Hadenmen, he is the Redeemer. And to the underground, he is humanity ' s last hope. Above all else, he is the last of a legendary warrior clan who is determined to bring down an Empire rotted by corruption, greed, and institutionalized slavery. Owen will fire the first shot by breaching Golgotha, the heavily guarded home planet of the Empress and the location of her overflowing coffers. Besides enraging and embarrassing the Iron Bitch (one of the few perks of leading

the revolution), robbing the Empire will help to fund the rebellion and garner support from the public. But starting a revolution is one thing. To win it, Owen and his companions will have to convince key planets to join the fight. Scattered across the galaxy, Owen's band of misfits struggle to embrace their new roles as leaders while facing espionage, treachery, and the unexpected challenges of making their rebellion a reality. *Deathstalker: Rebellion* is the second book in New York Times bestselling author Simon R. Green's beloved space opera series.

Owen Deathstalker fights to win a war against an empire in this sci-fi epic from New York Times bestselling author Simon R. Green. Fate had made Owen Deathstalker a rebel hero in an empire choked by tyranny. Embracing his warrior lineage for the sake of freedom, he stoked the flames of revolution, gathering the forces that one day must strike against Imperial authority. That day has come. With his valiant compatriots Hazel d'Ark and Jack Random, Owen must now bring the uprising to a fiery conclusion. From the rebel strongholds of Mistworld and Virimonde to the Empire's mighty heart on the planet of Golgotha, the fate of humanity now depends on a clash of arms across light-years of space. But *Deathstalker's* desperate cause will need more than an army of courageous fighters to succeed—for the cunning Empress has some evil surprises to unleash...

Owen Deathstalker has a prophecy to fulfill. Just as the espers foretold, Owen tumbled an empire and witnessed the end of everything he believed in...all that's left to do is die. But Owen has a few more scores he'd like to settle before his borrowed time is up. The Empire is besieged by nanotechnology plagues and AI invasions, while mysterious and horrific beings, known as "the Recreated," descend from the Darkvoid. But right now, Owen's only concern is rescuing Hazel d'Ark from the vicious Blood Runners who abducted her. He's already lost so much to become the leader and warrior he never wanted to be; he'll be damned if he loses Hazel too. So one more time, Owen Deathstalker will step up and be the hero--for Hazel, and then for Humanity. One more time, he'll call upon the gifts of the Deathstalker Clan to fulfill his destiny and face death. All while knowing that every "one more time" could be his last. *Deathstalker: Destiny* is the fifth book in New York Times bestselling author Simon R. Green's beloved space opera series. Don't miss the next chapter of the Deathstalker universe in *Deathstalker: Legacy*.

Official hero of the great rebellion, Owen Deathstalker fought impossible odds to throw down the Empress Lionstone XIV and destroy the corrupt Empire. That should have been enough to be feted, honored, and finally retired. Unfortunately, the new Parliament has some different ideas. There's no rest for a Deathstalker. As newly appointed Imperial bounty hunter, Owen tracks down the most dangerous war criminals. His current target: Valentine Wolfe, depraved right hand of the Empress and so-called "butcher of Virimonde." Valentine's latest atrocities are both staggering and deeply personal to Owen, but revenge may have to wait. Humanity faces extermination from enemies new and old, while the fledgling Parliament struggles to maintain control. Worse still, something is alive and beginning to stir in the Darkvoid. The odds are stacked against him again, but Owen Deathstalker will have to face his destiny one more time...or forever damn the future of mankind. *Deathstalker: Honor* is the fourth book in New York Times bestselling author Simon R. Green's beloved space opera series.

Owen Deathstalker, last of the infamous warrior Clan, always considered himself more of a writer than a fighter, preferring his history books to making any actual history with a sword. But books won't protect him from Her Imperial Majesty Lionstone XIV, who just Outlawed and condemned Owen to death, without any explanation, reason, or warning. No wonder she's called the Iron Bitch. Now, on the run from Imperial starcruisers, shady mercenaries, and just about everyone else in the Empire, Owen's options are limited. Though the name Deathstalker still commands respect in certain quarters, out on the Rim, Owen is lucky he can cobble together a makeshift team of castoffs, including an ex-pirate, a cyborg, and a bounty hunter. But allies won't be enough to save him. If he's to live, Owen can either run forever...or take down the corrupt Empire. To do that, he'll need the fabled Darkvoid Device—an artifact dating back to the first Deathstalker and perhaps the only weapon powerful enough to help this ragtag rebellion win. The time has come for Owen to finally embrace his Deathstalker heritage...and all the blood and death that go along with it. Deathstalker is the first book in New York Times bestselling author Simon R. Green's beloved space opera series.

Lewis Deathstalker has succeeded at the impossible: he's found Owen Deathstalker, presumed dead for the last two hundred years. Owen's return strikes a crippling blow to the Empire as his military joins the rebellion. But Owen himself has a larger mission. He -- and according to prophecy, he alone -- must travel back in time to stop the steadily advancing Terror before the galaxy is destroyed, leaving his descendant Lewis in command of the growing rebel army. Even as Emperor Finn Durandal's empire is on the brink of annihilation from the Terror, he will do anything, no matter how evil, to retain power. Lewis is equally determined to take Finn down and restore the rightful ruler to the throne. Deathstalker Coda is the exciting finale to the beloved space opera series from New York Times bestselling author Simon R. Green.

On a dead planet, a captain and his crew encounter an unknown evil in this sci-fi adventure from the New York Times–bestselling author. No life can survive on Unseeli—at least, not anymore. This little planet on the edge of the Empire has no oceans, rivers, or lakes—only an endless forest of metal trees, tall enough to scrape the stratosphere. Ten years ago, the indigenous people stormed out of the forest in rebellion, and Captain John Silence was there for the massacre that left Unseeli's natives extinct and the planet completely lifeless save for the engineers who mine its invaluable metals. When the mining operation goes off the rails, Silence will be called back to the world that still haunts his nightmares. The miners have erected a force shield around the planet and cut off all communication with the Empire. Backed up by a few professional killers, Silence lands at the mine in hopes of discovering what's gone wrong. Getting into Unseeli will be tough—but getting out could prove impossible.

In the sequel to *The Man with the Golden Torc*, Eddie Drood is forced to take on some nasty daemons from another dimension, who arrived in this world at the behest of the Drood family to help battle the Nazis during World War II and who have decided that they have no intention of leaving.

While working in Nightside, John searches for the Unholy Grail, a cup used during the Last Supper that corrupts the owner and gives him power, before it falls into the wrong hands.

Take a journey through the Age of Heroes... After falling in love with the king's intended, Lewis Deathstalker is now exiled, an outlaw from the empire he faithfully served for so long. With Lewis out of the way, former Paragon Finn Durandal, has led a silent coup to wrest control from the king and set himself up as the power behind the throne. But Durandal is not the Empire's biggest threat. The Terror that Owen Deathstalker prophesied nearly 200 years ago is almost upon them, and Owen is supposedly the only one who can save civilization from unspeakable horrors. Lewis, unwilling to believe that the galaxy's savior is dead, sets off to the darkest reaches of the Galaxy to find his lost ancestor. Lewis intends to retrace Owen's footsteps and overturn every possible lead. But with Finn in control of the empire's massive forces, he is outmanned and outgunned at every turn. Lewis must stay one step ahead of Finn's ever-expanding reach if he has any hope of discovering Owen's fate.
