The Yorkshire detectives reopen an old murder case and stir a royal scandal in this “dynamic, surprising mystery” (Publishers Weekly). Reginald Hill “raised the classical British mystery to new heights” when he introduced pugnacious Yorkshire Det. Inspector Andrew Dalziel and his partner, the callow Sgt. Peter Pascoe (The New York Times Book Review). Their chafing differences in education, manners, technique, and temperament made them “the most remarkable duo in the annals of crime fiction” (Toronto Star). Adapted into a long-running hit show for the BBC, the Gold Dagger Award–winning series is now available as ebooks. It was a cold-blooded murder committed in one of Yorkshire’s country estates. The conspirators: Sir Ralph Mickledore and his lover, American nanny Cissy Kohler. The victim: Mickledore’s hapless wife. Mickledore’s execution for the open-and-shut case made headlines. Thirty years later, so has Cissy’s parole in light of new testimony suggesting her innocence. But when the witness whose long-suppressed evidence is murdered, Dalziel and Pascoe realize the damage done by the fatal affair isn’t over. But whose secrets will prove more revealing? Those buried with Mickledore and his wife a generation ago? Or those Cissy is holding on to for dear life? Recalled to Life is the 14th book in the Dalziel and Pascoe Mysteries, but you may enjoy reading the series in any order.

This enchanting study on the art of living with books considers how our personal libraries reveal our true nature: far more than just places, they are living labyrinths of our innermost feelings. The author, a lifelong accumulator of books both ancient and modern, lives in a house large enough to accommodate his many thousands of books, as well as overspill from the libraries of his friends. While his musings on the habits of collectors past and present are learned, witty and instructive, his advice on cataloguing may even save the lives of those whose books are so prodigiously piled as to be a hazard. Phantoms on the Bookshelves ranges from classical Greece to contemporary Iceland, from Balzac and Moby Dick to Google, offering up delicious anecdotes along the way. This elegantly produced volume will be a lasting delight to specialist collectors, librarians, bibliophiles and all those who treasure books.

Sarah’s Journey, won the best fiction award for Hamilton and Region. This true story tells of Sarah Lewis, born a slave in Virginia, and her escape with three small children to Upper Canada in 1820. She arrives in Simcoe in 1822 and keeps house for a young Scotsman, by whom she has a son, who eventually becomes the richest man in New York City. The events of the time such as the rebellion of 1837 and the threats of bounty hunters affect the black community and Sarah’s family. “I would recommend this novel to mature readership at the high school level or above because of the increased degree of appreciation of the story if one is acquainted with the social and economic and political issues surrounding and shaping the environment into which Sarah was born.” —Grietje R. McBride, UE, B.Sc.. “Sarah’s Journey is a real page-turner,”— Liana Metal, Rambles.

Entertainment is now a \$500 billion industry that reaches into every corner of human life. The Entertainment Marketing Revolution: Bringing the Moguls, the Media, and the Magic to the World profiles that industry, from film to print, music to theme parks—and shows exactly how to find and reach your market in today’s insanely competitive marketplace. Discover the driving forces, key synergies, new opportunities, and advanced marketing techniques today’s top companies are riding to success... and learn how to create tomorrow’s blockbuster properties, starting today.

This is a different kind of dream book. Everything you need to know about dreams is in the Bible, but you must learn how to read between the lines so to speak. Dreams are the same for everyone. Unfortunately, if youre not a Christian and do not believe in the Bible, you will never be able to interpret your dreams correctly. So get yourself a reference Bible, and whatever you should dream about, find the subject and how the Bible describes it.

Color Me Inspired: Be Happy features 47 designs to color, each with an uplifting, inspirational message. A combination of very simple and more detailed designs allows colorists of all ages to be creative, have fun, and be happy. Printed single-side on perforated paper means colorists can remove the page for handing or sharing.

Newest in the famous series of gay erotic comics and cartoons, including work by Gerard Donelan, Zack, Farrady, John Blackburn and others. With enticing drawings of muscle-bound men accompanying stories of raw and unexpected desire, as well as many humorous strips and panels, this volume of 'Meatmen' has it all.
