who are just starting out. Like its stablemates, it looks great and sounds gorgeous but complaints about lack of power,...

DUCATI MONSTER 620 (2001-2006)
Review, Specs & Prices | MCN

The Multistrada 620 was a relatively short lived model as it was only in production for four years, however that didn't stop Ducati making a few versions. The standard Multistrada 620 was joined in the range by the Dark in 2005 (pictured below), which brought mean and moodier black paint and dropped the price tag by a few quid.

Ducati 620 for sale - November 2020 - NewsNow

Ducati have achieved their aim in
modifying rather than radically altering
a winning package – the Monster 620ie
is a better bike than it was and is more
versatile with it. The new 620ie is
nothing radically new, just a
sympathetic makeover of the smallest
of three models (600, 750, 900) that
make up the air-cooled Monster range.

Ducati Monster M620 IE (2001 - 2006)
review - Visordown

The 620 is harsh, uncompromising and difficult to master. Everything a Ducati should be and everything an entry-level model shouldn't. The 620 Sport was launched this year as an alternative to the Monster 620ie for the rider who wants a bit more weather protection than the naked Monster offers as well as a slightly sportier edge.

New Multistrada V4 Ducati
Ducati Monster sales in 2005 constituted more than 50% of Ducati's global sales. Eventually, Monsters accounted for at least two-thirds of its parent company's output. In 2016, a weekly British newspaper commented that the Monster is the motorbike that rescued Ducati with its popularity. In September 2008, a congregation of Monsters in Belgium broke the world record for the biggest parade ...
