EIGHT DAYS OF LUKE is a charming tale steeped in mythology, but offering a new and unique perspective on it. Between Diana Wynne Jones' capable prose and the likable main character, the pages flew by for me. Odd as he was, I also loved Luke, and at least one of David's relations turned out to be unexpectedly kind.

Wynnes Jones creates a magic that is
unique in every single book. DWJ

with A Charmed life for the younger

Witch Week, and aspire to Fire and
