¿JESÚS era RICO o POBRE? Descubrello | El Verbo

A profound yet very readable portrayal of Mary.

The book proposes a prayer path that is travelled with the eyes fixed on Jesus (an expression from the letter to the Hebrews). As a starting point to live this Jesus experience in silence, the author invites all those who have made an option of life for Jesus in different ways, to welcome the expressive force of water, "useful, pure and humble", to which so many times Jesus appealed as a brand of his preaching. With a simple and colloquial language it offers guides for a close and loving prayer which impels towards a concrete commitment because contemplative silence is only true when it impels action.
