Fish are gill-bearing aquatic craniate animals that lack limbs with digits. They form a sister group to the tunicates, together forming the olfactores. Included in this definition are the living hagfish, lampreys, and cartilaginous and bony fish as well as various extinct related groups. Around 99% of living fish species are ray-finned fish, belonging to the class Actinopterygii, with over 95% ...

Fish's final musical statement is a taut yet perversely melodic piece charged with political ire ("I came to in a country I once considered a home/That has been lost to the scoundrels and the rogues and a circus of clowns"). However, 'Garden Of Remembrance' stand as the album's most undoubtedly poignant and personal moment.
