When Emilia de Wit ran away to New York City, she planned everything to a T. Plane ticket, purchased. Cute apartment, rented online. Subway map, printed and highlighted. This was no ordinary trip -- this was Emilia's declaration of independence. Her chance to escape the disaster her life has become. To get away from the horrible scandal that has rocked Amsterdam, the scandal that is all her dad's fault. To see if her mom, the glamorous, world-famous artist, will even notice. New York steals Emilia's heart at first sight -- even though absolutely nothing goes to plan. She didn't plan to end up homeless on a stranger's doorstep. She didn't plan to make friends with Seth, Abby, and Jim. And she could never have known that Hurricane Sandy would be barreling up the coast, straight for the city. All she wanted was to get away from her parents, her problems, her life... but when the storm hits and the power goes out, Emilia feels farther from home than she could have imagined.

COMING SOON TO NETLIFIX! The Shoplifters Anonymous meetings that sixteen-year-old Moe is forced to attend are usually punctuated by the snores of an old man and the whining of the world's unhappiest housewife. Until the day that Tabitha Foster and Elodie Shaw walk in. Tabitha has just about everything she wants: money, friends, popularity, a hot boyfriend who worships her...and clearly a yen for stealing. So does Elodie, who, despite her goodie-two-shoes attitude pretty much has "klepto" written across her forehead in indelible marker. But both of them are nothing compared to Moe, a bad girl with an even worse reputation. Tabitha, Elodie, and Moe: a beauty queen, a wallflower, and a burnout-a more unlikely trio high school has rarely seen. And yet, when Tabitha challenges them to a steal-off, so begins a strange alliance linked by the thrill of stealing and the reasons that spawn it. Hollywood screenwriter Kirsten Smith tells this story from multiple perspectives with humor and warmth as three very different girls who are supposed to be learning the steps to recovery end up learning the rules of friendship.

She can't even muster the courage to try out for the Glee Club, even though she has a beautiful voice. Things change suddenly when an unexpected event forces her into the limelight. With her innate talent and resourcefulness, Pan de Sal wins the admiration of her classmates and finds the confidence she needs to fulfill her dreams. For anyone who has ever felt like an outsider or experienced adversity, Pan de Sal Saves the Day teaches children to see the unique qualities in everything and everyone, even themselves.

Speech in Speech explores the techniques by which classical Greek texts written primarily for public performance weave in direct quotations (oratio recta) of "other voices" - imagined or real. This "speech in speech" is usually perceived as endowed with a greater vividness and authenticity than indirect quotation, even when the words report what someone might say or words the speaker attributes to himself, imaginary or actually spoken. Distinguished classicist Victor Bers explains how these insertions enliven the verbal texture of plays and speeches and examines the intricate relation of direct quotations to their "originals." As the first synoptic and detailed study of oratio recta in classical Greek literature, Speech in Speech will be useful to anyone interested in ancient literary techniques.
