Books similar to From the Fatherland, with Love

The book From the Fatherland, With Love by Ryu Murakami (pictured), has no time for such fudges. A hefty novel of more than 600 pages, it takes its invasion scenario seriously - well, at least some of the time. Although the English translation came out this year, the novel was originally published in Japan in 2005, imagining events in 2011.

Love Relationship Children The territorial state is such an ancient form of society - here in Europe it dates back thousands of years - that it is now protected by the sanctity of age and the glory of tradition. A strong religious feeling mingles with the respect and the devotion to the fatherland.

Fatherland Quotes - BrainyQuote

The Fatherland was a World War I era weekly periodical published by poet, writer, and noted propagandist George Sylvester Viereck (1884-1962), advocating "Fair Play for Germany and Austria-Hungary". Having been born in Munich, Germany, and moved to New York City in 1896, Viereck graduated from the College of the City of New York and directly entered the world of publishing.

The Fatherland - Wikipedia

generation in which the Motherland and the Fatherland is an object of veneration", because Sung believes in the importance of the knowledge citizens have on their country where national pride could be achieved. Sung would disagree with the concept portrayed in the second part of the source where the beliefs taught to people would lead to the "killing" of other nations, instead Sung ...
