The ICE conditions of contract has been given its cards. At a discreet little ceremony at the Institution of Civil Engineers in London, the 65-year-old engineers' friend was led in, given a big Brunel clock, then ushered out for good. The whippersnapper taking its place is that ambitious go-getter the NEC3.

Engineering Contract (now called NEC Engineering and Construction Contract) steadily gaining ground and recognition there was no point in continuing the publication of traditional ICE Conditions. It was suggested they were a relic of another age and after 50 years or so of use it was time for change. My own view is that not only is there room ...
