Ice Time The Story Of

Ice Time: The Story of Hockey (Temps de glace: l'histoire du hockey) traces the sport from its hotly contested origins to the present day's first-ever lockout of players by the one remaining league. It covers the sport's surge in popularity after 1875, when it moved to inside rinks; the rise and fall, and rise again, of women's hockey; the sagas of long-lost leagues, such as the Pacific Coast Hockey Association; and more recently the World Hockey Association.

In the book ice time Jay Atkinson fell in love with hockey when Bobby Orr scored the winning goal in the 1970's Stanley Cup finals. Living in a small Massachusetts town there wasn't much to do during the winter and when the nearby lake froze during the winter everybody got out their skates and rushed down to play some hockey.

Ice cream was likely brought from China back to Europe. Over time, recipes for ices, sherbets, and milk ices evolved and were served in the fashionable Italian and French royal courts. After the dessert was imported to the U.S., it was served by several famous Americans, including George Washington and Thomas Jefferson.

Finally, there's a book on that mysterious time. This is a fascinating subject, of a time when Walt's Yes Men fought to keep the company alive. Walt filmed several short movies to be shown to the executives every six months, giving them guidance where the company was to go, and what they were to do.
