This 5-hour free course looked at interpreting diagrams, charts and graphs and how to use them to convey information more effectively.

The Complete Guide to Sports Massage, 3rd edition is a comprehensive, practical handbook. Now with additional photography and the latest techniques, this is a must-have guide for students of sports therapy and anyone wanting a performance advantage. Sports massage is the skilled manipulation of soft tissue for: the relief and treatment of muscle soreness and pain; the maintenance of muscle balance and improved flexibility; and enhanced rehabilitation from injury. Packed with jargon-free information, this fully updated guide includes step-by-step photography and detailed text explaining the principles and techniques of massage; injury management and post-massage care; as well as practical guidance on working at a sports event.

Offers guidance for employers and self employed people in assessing risks in the workplace. This book is suitable for firms in the commercial, service and light industrial sectors.

Fully updated to reflect the 2009 Hairdressing Standards from Habia, this new edition of the bestselling Candidate Handbook is an essential companion for anyone working towards the Level 3 NVQ, SVQ or Advanced Apprenticeship with any awarding body (such as City & Guilds and VTCT).

From accountant to zoologist, this new edition of The A-Z of Careers & Jobs offers detailed insights into more than 300 career areas. For those looking for their first job after school or university, or for anyone considering a change of career, the book provides reliable and up-to-date careers advice on a wide range of professions, covering practical issues such as job opportunities in each market, personal skills and qualities, entry qualifications and training, useful contact details and realistic salary expectations. The A-Z of Careers and Jobs is also a valuable reference for careers advisors working in schools, colleges and universities who need to keep track of new developments - new roles and routes of entry, professional associations and exams - to offer the very best guidance to today's jobhunters.

This new publication is a "must-have" for anyone considering salon management or setting up in business. Originally developed for NVQ Level 4 Hair & Beauty, this text has been extended to cover everything that the business manager will need to know for many years to come. Full of useful ideas, business information and ready-to-run systems, this book will be the point of reference for all salon staff.

Find out how to give the healing touch! Reflexology is a safe and gentle therapy that combats stress, boosts the immune system, and stimulates our natural healing processes. From zone maps of the hands and feet to techniques for working the reflex points to illustrated step-by-step sequences, this guide provides all the information necessary for treating the whole body. A detailed directory provides instructions on relieving common ailments, and there are specialized treatments for children, couples, and the elderly.

Understand the fundamentals of the assessment and verification of vocational learning with this complete overview of the principles and practices involved.
