International Economic Law by Asif Qureshi, Xuan Gao, Jeong Ah Lee. ... In general, international economic law (IEL) is concerned with the governance of international economic relations between states as they affect individuals in a state, including in particular their relations inter se across national boundaries. ... namely, Qureshi and ...

### **International Economic Law - International Law - Oxford ...**

Economic activity, Professor Qureshi insists, is a visible manifestation of the human condition. Therefore, the laws that regulate it and develop its norms must be deeply human. International economic law must be ever-vigilant in its efforts to represent the economic needs of all strata of humanity - it must not allow the cultural imperatives of any one group to predominate.
