Her Near (Marnie Hammond book 1) How far would you go to find your missing sister? A normal day in the park turns into a nerve-shredding nightmare for eleven-year-old Marnie Hammond when she finds herself in a desperate chase to stop the 'bad man' from abducting Abby. Fifteen years later, Marnie is a Detective Sergeant, but the memory of

If you are going to read about Marnie, be sure to start with the first book in the series, ' Keep You Near, ' as this book refers to it and it makes you understand Marnie so much better. To me, this second book in the series is a step up from the first and I love where the author is going with the series.
