The Pulitzer Prize – nominated author of Little Big Man returns with perhaps one of his most imaginative alternate realities yet: a matriarchal society. Women reign supreme in the not-so-distant future, where Georgie Cornell has no choice but to wear the high heel shoe on the other foot. Swept into the chaotic world of publishing, he is at the mercy of his female bosses, especially if his pencil skirt is an inch too short. Georgie only has one male coworker he can lean on for a bit of support, and his friend Charlie 's fascination with gender roles borders on the scandalous for Georgie 's taste. Still, when Georgie loses his job it 's Charlie he turns to for comfort. Spilling a drink on his expensive dress, he has no choice but to wear the women 's clothes Charlie keeps in secret on the way home. The simple journey quickly turns chaotic when Georgie is taken in by the police for the crime of being a transvestite. A prison escape is only the start of this piercing, insightful, and prescient look at gender norms. " Imagined with such ferocity and glee that we assent to it almost in spite of ourselves. . . . A brilliant accomplishment by one of our best novelists. " —The New York Times Book Review

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

The final reckoning has come: the future of the Land will be decided now and written in the blood of men. After his pyrrhic victory at Moorview, King Emin learns the truth about the child Ruhen - but he is powerless to act. Instead, he must mourn his dead friends while his enemy promises the beleaguered peoples of the Land a new age of peace. The past year has taken a grave toll: the remaining Menin troops seek revenge upon Emin, daemons freely walk the Land, and Ruhen's power is increasing daily. And yet, a glimmer of hope remains. There is one final, desperate chance for victory: a weapon so terrible only a dead man could wield it, and only a madman would try. But if they do not grasp this opportunity, King Emin and his allies will be obliterated as Ruhen's millennia-old plans are about to bear terrible fruit. If his power continues unchecked, Ruhen will achieve total dominion - and not just over mankind, but over the Gods themselves.
