The relation of culture and language is the way they share human values, realities and behaviours of a social group. As a conclusion, according to Kramersch, language expresses, embodies and symbolizes cultural reality. Written by Georgia NTAI, Communication Trainee at TermCoord – Student at the University of Luxembourg.

Context and Culture (C&C) has many illuminating examples from literature, speech and media. Kramersch writes densely--every word counts--and readers will find that there is always something new to learn on every reading. It's no surprise that Widdowson, remarkable for his incredibly tight prose, was her editor.
