We want to live loving, joyful, anxiety-free lives. Yet how can we live in grace when we're so busy battling our old patterns of behavior? Jerry Bridges explores the nine aspects of the "fruit of the Spirit" described in Galatians 5:22-23: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. These qualities of character can truly mark our lives if we devote ourselves to a twofold pursuit: God-centeredness and God-likeness. Jerry shows us how to practice the fruit in daily life. When *The Fruitful Life* first released, Jerry said, "It was the book I had wanted to write that included everything I forgot and/or learned since *The Pursuit of Holiness*."

He needed a wife for a year so he could inherit his grandmother's fortune, and she needed to pay off her family's debts. That's all their marriage has ever been about. So she really needs to stop falling into bed with him.

In this compelling account, Knockoff exposes the truth behind the fakes and uncovers the shocking consequences of dealing in counterfeit goods. Travelling across the globe, Tim Phillips shows that counterfeiting isn't a victimless crime; it is an illegal global industry undermining the world's economies. Based on interviews with victims, investigators and the people who sell counterfeits, Knockoff reveals the link between what we see as "innocent" fakes and organized crime. Phillips describes in detail how the counterfeiters' criminal network costs jobs, cripples developing countries, breeds corruption and violence, and kills thousands of people every year. He shows that by turning a blind eye to the problem, we become accomplices to theft, extortion and murder.
