## *Lippincott's Content Review for NCLEX-RN: Amazon.co.uk ...*

Lippincott is great because it breaks down sections in nursing for you to review. There is peds and sub sections of peds conditions. Medsurg (respiratory, GI, HTN, etc all in sub sections), altered (schizo, bipolar questions etc) you get the picture. It was very organized to me and help me keep a great system for me to study.
