Lipstick Traces a Secret History of the Twentieth Century...

Although the Sex Pistols shape the beginning and the end of the story, Lipstick Traces is not a book about music; it is about a common voice, discovered and transmitted in many forms. Working from scores of previously unexamined and untranslated essays, manifestos, and filmscripts, from old photographs, dada sound poetry, punk songs, collages, and classic texts from Marx to Henri Lefebvre, Marcus takes us deep behind the acknowledged events of our era, into a hidden tradition of moments that ...

His next book, Lipstick Traces: A Secret History of the 20th Century (1989), stretched his trademark riffing across a century of Western civilization. Posing punk rock as a transhistorical cultural phenomenon, Marcus examined philosophical connections between subjects as diverse as medieval heretics , Dada , the Situationists , and the Sex Pistols .

Greil Marcus - Wikipedia

Lipstick is a cosmetic that applies color, texture, and protection to the lips.. Many colors and types of lipstick exist. Some lipsticks are also lip balms, to add both color and hydration. Although the name originally applied to the baton (stick) of material, within a tubular container, usually around 10mm in diameter and 50mm in length the term now generally relate to the material itself ...
