Complete reference guide presents all known brighter northern deep-sky objects. Features descriptive lists combined with detailed maps, arranged by constellation; for both telescope and binocular use.

A guide to a long-established alternative therapy for stress-related disorders.

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Describes the basic features of Fedora and offers instructions concerning its use, administration, network and server set-up, and its compatibility with new technology.
