Mae Among the Stars by Roda Ahmed - Goodreads

Parents need to know that Mae Among the Stars by Roda Ahmed, illustrated by Stasia Burrington, is a picture book biography of Dr. Mae Jamison, the first African-American female astronaut. Since the book is spare, without much concrete information about her life or her path, it's best for the youngest kids, who'll come away with the simple and clear message that when she was young, Dr. Jamison had a dream of what she wanted to do, and her parents encouraged her, even when peers scoffed and ...

Mae Among the Stars Book Review - Common Sense Media

Mae Among The Stars STEM Challenge I am obsessed with STEM projects and PBL projects. One of my absolute favorites is a space STEM activity that I started this year. We read the book Mae Among the Stars and then we end up creating a way for Mae to get back to Earth safely.

Mae Among The Stars STEM Challenge - A Teacher's Wonderland

Description. Little Mae is a girl with big dreams, a supportive loving family, unbounded passion, and all the right stuff to dance among the stars. Against all odds, she will overcome any obstacle to become an astronaut one day. This hardcover picture book, written by debut author Roda Ahmed and illustrated by Stasia Burrington, is not the typical picture book biography.
