Maple Guides There's a lot of special nuances and details about MapleStory, and the new Maple Guides are here to help give you quick courses on all sorts of subjects, including what some of MapleStory's unique jargon means, how to get the most out of your items, easy ways to move around Maple World that you might not have noticed and more!

Maple Guides | MapleStory

The Maple Guide is a system that serves to recommend training areas, as well as bosses, for players within a certain level range. You can use this system to teleport to areas near your level, which can be used to access certain other content, such as bosses. You can gain Content Map Stamps for each area above Level 30, which will allow you to teleport to that area whenever you want, even when you are out of that area's level range.

Maple Guide | MapleWiki | Fandom

Maple e-books and study guides are electronic versions of standard math textbooks designed to assist students in grasping the fundamental concepts through visualization, practice and theory. Each of these Maple add-ons includes interactive exercises and other features that will maximize your understanding of the topics.

Maple Study Guides and E-Books - Resources for Math ...

Maple Guide is designed to help players navigate through quests and hunting fields. The Maple Guide UI appears in the upper left corner of the game window. Different recommended field buttons will appear based on the character's level. Please note that some recommended fields are only accessible only when you have related quests completed.
