REA & Bob Miller Get You Ready to Tackle TABE Level A Math! Bob Miller has taught math to thousands of students at all educational levels for 30 years. His proven teaching methods can help students and adult learners tackle the math portion of the TABE and boost their scores. Bob Miller’s Math for the TABE Level A shows students how they should prepare for the math component of the TABE Level A. Unlike some dull test preps that merely present the material, Bob teaches and explains math concepts and ideas. His no-nonsense, easy-to-grasp style, and decades of experience as a math teacher help students really understand math. Each chapter is filled with examples and exercises plus explanations of solutions to illustrate the math concepts and reinforce skills. The easy-to-follow, student-friendly review covers all topics tested on the TABE Level A math portion: number operations, integers, decimals and fractions, word problems, geometry, and averages. The book also includes four practice tests that mirror the actual exam. REA offers the only independent test preparation for the TABE. Packed with examples, practice tests, and test-taking tips that boost confidence on exam day, this book is a must for anyone preparing for the TABE. What is the TABE? The Test for Adult Basic Education (TABE) is a diagnostic test used to determine a person’s skill levels and aptitudes in reading, English, and math. The TABE is administered across the country and is a good prep for anyone taking the GED. TABE Level A is the highest level available (the equivalent of grades 8–12), and the most popular exam in the TABE battery.
