My First Human Body Book: Wynne, Patricia J., Silver ...

Nice book! I wish it didn't say "my first" because this is good for older kids too. My kids were 5, 10 and 11 when we did a unit study on the human body and this book was used to review after we discussed each system. It covers a lot and has little fact boxes in several places on each page, so not simply coloring.

My First Human Body Book: Wynne, Patricia J.: Amazon.com ...

It goes into detail but it is also similar for the children who just want to look at the pictures and have an idea what the heart looks like. Filled with astonishing details, this head-to-toe survey of the body is fascinating to read and fun to color! Each page contains one or more bright, original colour illustrations and diagrams display all the major organs of the human body. As a parent ...

Read Download My First Human Body Book PDF - PDF Download

This is the first book in healthcare ethics addressing the moral issues regarding ownership of the human body. Modern medicine increasingly transforms the body and makes use of body parts for diagnostic, therapeutic and preventive purposes. The book analyzes the concept of body ownership.
