"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

The Easter Bunny snaps and goes on a rampage after dealing with too many ungrateful, ill-behaved children but one little girl's "Thank you" helps him stop feeling blue.

Celebrate Easter with the Pikmi Pops!

The Nag Hammadi Scriptures, edited by Marvin Meyer, is the most complete, up-to-date, one-volume, English-language edition of the renowned library of Gnostic manuscripts discovered in Egypt in 1945, which rivaled the Dead Sea Scrolls find in significance. It includes the Gospel of Thomas, the Gospel of Mary, and the recently discovered Gospel of Judas, as well as other Gnostic gospels and sacred texts. This volume also includes introductory essays, notes, tables, glossary, index, etc. to help the reader understand the context and contemporary significance of these texts which have shed new light on early Christianity and ancient thought. The compilation of ancient manuscripts that constitute The Nag Hammadi Scriptures is a discovery that challenges everything we thought we knew about the early Christian church, ancient Judaism, and Greco-Roman religions.

The third book in the Room 103 series. Bulk's story Love triangles... nasty things! Especially if one of the trio is dead. Bulk fell in love at sixteen. Shona was his heart, his soul, the meaning of his life. Then she was killed... suddenly, horrifically and brutally. He never had the chance to say goodbye, never had the chance to tell her how much he loved her. How much he breathed for her and how much her pregnancy with his child energized his life to the point of a motivation he had never experienced before. Seven long, lonely, painful and comatose years later, Spirit, a guitarist for River's Ink, takes Bulk's shit, wraps it up and sucks it dry. She takes his grief and kicks it to the curb. She fights against him, with him and for him. She wants him; she needs him and God, if he doesn't need her right the hell back. She's everything Shona was; fun, full of life and so utterly breath taking she steals his breath with every smile, every word that leaves her pretty lips and each naughty twinkle in her eye. But is Spirit what he actually needs to revive his life? When Spirit's secrets, a face from her past and her uncontrollable addiction to drugs and alcohol show their ugly heads, will Bulk shake his head and declare a final 'No' to life, or will he hold her tight, pull her close and fight her demons with her? Will their fight for each other resurrect their deceased souls or will it invite the Devil to finally, once and for all, swallow them whole? This book contains explicit sex scenes, strong language, violence and substance abuse... oh, and one hell of an alpha male. It is recommended that tissues are on

stand-by.

Easter? I'm so excited!

THE POSTHUMOUS MASTERWORK FROM "ONE OF THE GREATEST AND MOST INFLUENTIAL MODERN WRITERS" (JAMES WOOD, THE NEW YORK TIMES BOOK REVIEW) Composed in the last years of Roberto Bolaño's life, 2666 was greeted across Europe and Latin America as his highest achievement, surpassing even his previous work in its strangeness, beauty, and scope. Its throng of unforgettable characters includes academics and convicts, an American sportswriter, an elusive German novelist, and a teenage student and her widowed, mentally unstable father. Their lives intersect in the urban sprawl of SantaTeresa—a fictional Juárez—on the U.S.-Mexico border, where hundreds of young factory workers, in the novel as in life, have disappeared.
