The new Xam Idea for Class XII Physics 2020-21 has been thoroughly revised, and uniquely formatted in accordance with CBSE requirements and NCERT guidelines. The features of the new Xam Idea are as follows: 1. The book has been thoroughly revised as per the new CBSE Examination Paper design. 2. The book is divided into two Sections: Part A and Part B. 3. Part A includes the following: - Each Chapter is summarised in 'Basic Concepts'. - Important NCERT Textbook and NCERT Exemplar questions have been incorporated. - Previous Years' Questions have been added under different sections according to their marks. - Objective Type Questions have been included as per new CBSE guidelines. These include Multiple Choice Questions, Very Short Answer Questions, and Fill in the Blanks carrying 1 mark each. - Short Answer Questions carrying 2 marks each and Long Answer Questions carrying 3 marks and 5 marks have also been added. - At the end of every chapter, Self-Assessment Test has been given to test the extent of grasp by the student. 4. Part B includes the following: - CBSE Sample Question Paper 2020 with complete solution. - Blueprint as per latest CBSE Sample Question Paper and Examination Paper 2020. - Unsolved Model Question Papers for ample practice by the student. - Solved CBSE Examination Papers 2020 (55/1/1), (55/1/2) and (55/1/3). - Solved sets of remaining four regions' CBSE Examination Papers are given in QR code.

Based on Sanskrit mathematical aphorisms found in the Atharvaveda.

Gives an understanding of the glorious intellectual and spiritual tradition of (a) great country.' Albert Einstein Written over five months when Jawaharlal Nehru was imprisoned in the Ahmadnagar Fort, The Discovery of India has acquired the status of a classic since it was first published in 1946. In this work of prodigious scope and scholarship, one of the greatest figures of Indian history unfolds the panorama of the country's rich and complex past, from prehistory to the last years of British colonial rule. Analysing texts like the Vedas and the Arthashastra, and personalities like the Buddha and Mahatma Gandhi, Nehru brings alive an ancient culture that has seen the flowering of the world's great traditions of philosophy, science and art, and almost all its major religions. Nehru's brilliant intellect, deep humanity and lucid style make The Discovery of India essential reading for anyone interested in India, both its past and its present.

|| NEET Chapter-wise + Topic-wise Solved Papers PHYSICS is the thoroughly revised, & updated 14th edition and it contains the past year papers of NEET 2019 to 1988 distributed in 28 Topics. || The Questions have been arranged from 2019 to 1988 such that the students encounter the latest questions first. Further each chapter has been further divided into 3-4 topics each. || The Topics have been arranged exactly in accordance to the NCERT books so as to make it 100% convenient to Class 11 & 12 students. || The fully solved CBSE Mains papers of 2011 & 2012 (the only Objective CBSE Mains paper held) have also been incorporated in the book topic-wise. || The book also contains NEET 2013 along with the Karnataka NEET 2013 paper. || The detailed solutions of all questions are provided at the end of each chapter to bring conceptual clarity. || The book contains around 1690+ MILESTONE PROBLEMS IN PHYSICS.

Strictly as per the new CBSE course structure and NCERT guidelines, this thoroughly revised and updated textbook is meant for class XII of senior secondary schools (under the 10 + 2 pattern of education). The subject matter of this book is presented in a very systematic and logical manner. Every effort has been made to make the contents as lucid as possible so that the beginners will grasp the fundamental concepts in an unambiguous manner. KEY FEATURES || Large number of solved examples to understand the subject. || Categorization of problems under: || Level of Difficulty A (Cover the needs of the students preparing for CBSE exams) || Level of Difficulty B (Guide the students for engineering entrance examinations). || A Smart Table at the beginning of each chapter to decide the relative importance of topics in the CBSE exam. || Problem Solving Trick(s) to enhance the problem solving skills. || A list of Important Formulae at the beginning of the book. Besides this, each chapter is followed by a Chapter Test and an exercise in which the questions from the CBSE papers of previous years are provided. Working hints to a large number of problems are given at the end of each and every exercise. In a nut shell, this book will help the students score high marks in CBSE, and at the same time build a strong foundation for success in any competitive examination.

A Complete Guide to M.C.Q for Class X has been written in accordance with the latest syllabus of Science prescribed by the Central Board of Secondary Education (CBSE), New Delhi. The present book will help you to self-understand the subject in a better way. Unique features of this book : 1. About 1200 Q & A. 2. Written in very simple, easy to understand student friendly language. 3. All chapters of science book are covered. 4. All questions are made at par with CBSE question standard. 5. Every question has four options and they are very informative though only one will be the correct answer. 6. All questions are answered at last of each chapter. 7. Every answer is explained in detail. 8. Other than correct answer all other options are also discussed to understand why they are not the correct option for that question. 9. The answer is written in a comprehensive style in most cases with well-illustrated and labeled diagrams where ever it was required. I hope this book will prove very useful to the students and teachers. Suggestions and constructive criticism for the further improvement of the book would be gratefully acknowledged and should incorporate in coming editions.
