NEUROLOGY CLERKSHIP STUDY
GUIDE. Definition: Disorders of
consciousness include disorders in
which the level of consciousness
(arousal or wakefulness) is impaired,
such as acute confusional states and
coma, and those in which the level of
consciousness is normal. but the
content of consciousness is altered,
such as dementia and amnesic
disorders.

~~Clerkship guide—AMBOSS~~

The goal of the Third Year Neurology clerkship is to prepare the student to identify diseases and situations in which neurological evaluation is appropriate so that the student understands as a practitioner when neurological consultation is appropriate and when emergent neurological intervention is needed.

~~GOALS & OBJECTIVES~~

This clerkship introduces students to the discipline of neurology by providing a broad exposure to the fundamental elements related to delivering clinical care to a neurological patient and the
