Nomad - James Swallow I originally bought Exile without realising that Nomad was the first featuring Marc Dane, so suffice to say I bought Nomad before embarking on Exile, very glad that I did, it's an excellent read and a very believable plot. Looking forward to Exile with abated breath. Top read and a real page turner. Simon Swallow delivered.

The Sunday Times bestselling debut novel from the master of the modern espionage thriller, James Swallow. Marc Dane was always the MI6 field agent stuck at home behind a computer screen, one step away from the action. But when a brutal attack on his team leaves Marc as the only survivor - and with the shocking knowledge that there are traitors inside MI6 - he's forced into the front line.
