A big part of the nose-to-tail approach is ensuring you are eating collagen-rich cuts that most modern eaters avoid. Collagen protects your bones and joints, skin and hair. It helps preserve muscle mass and is great for improving gut health. Collagen production decreases as we age, contributing to joint pain, wrinkles, and other issues.

What is nose-to-tail eating? A top trend of 2018, nose-to-tail eating is a philosophy of using every part of the animal in food preparation, letting nothing go to waste. Aside from its appeal as a more traditional diet, it's also one of the most economically and environmentally friendly ways to approach working with meat.

~~“Nose to Tail” Eating~~

Adopting a nose-to-tail method of eating not only means you're consuming more consciously, but you're also opening your world up to exciting meat dishes that extend beyond fillet. So, what is Nose-to-tail dining exactly? It's essentially using up the whole animal carcass, from the literal nose to the literal tail and everything in between.

Find out more about the Nose to Tail eating philosophy as embraced at River Cottage Australia. In supermarkets around the country, it's quick and easy to pick up a meat product, perfectly packaged, ready cut and quick to cook. You'll no doubt see the choicest cuts on offer, the eye fillet of beef, the leg of lamb and the pork loin.

~~Nose to Tail Eating — Lifestyle~~

The Whole Beast: Nose to Tail Eating is a 2004 book by Fergus Henderson that deals with how to cook every part of a pig, including parts rarely used in western cuisine, such as offal. It was originally released as Nose to Tail Eating: A Kind of British Cooking in England in 1999, but was updated and revamped to be more comprehensive for the American edition, [1] which was also re-released in the UK. [2]

In recent years there has been something of a revival of 'nose-to-tail' cooking. The idea is simple. It begins with the observation that we have become accustomed to eating only those carefully prepared and packaged parts of the pig, cow or lamb that you can find on supermarket shelves. Smoked bacon. Ribeye steak. Lamb chops.
