Being a travel company at heart you would think that Lonely

Read Online Not For Parents Europe Everything You Ever Wanted To Know

Planet 's ' Not for Parents Europe ' would have some sort of travel based structure that leaped from country to country in a virtual tour of Europe. However, this is not the case. The book does not even look at particular countries, but at Europe as a whole. Random subjects come up on a double spread and you are given colourful images and a few facts about it. At times it almost feels like a whistle stop tour of European Stereotypes.
