~~Saga Six Pack 3: Sturluson, Snorri, Mawer, Allen, Dasent ...~~

Superb book. The legends are well written, of course, and the translation is brilliant. Njal's Saga is a story of revenge, of friendship, and is set in times far from our own. Yet, the lessons drawn from the saga serve us well. This is a book to be read carefully, as the number of characters can be bewildering, and the storyline complex.
