Written in 1945 the book

role in partition.

Although this book takes
you to the unheard side

of partition, it is

interesting on how

linguistic approach was

chosen for a division of

something that is unsure

if it existed. Dr.

Ambedkar takes a fine

approach of giving a

clarity of situation instead

of been judgmental on

the partition. No wonder
the man was chosen to
write our constitution. Of
course if the war of
majority and minority is
kept away, the partition
and its tragedy can be
ready more fluently.
