When booze smugglers Jai and Mike reconsider their options after another close brush with the law, their friend Aziz, a corporate lawyer comes up with a plan for all of them to rake in even more money with less risk. Setting up an undetectable, foolproof scam, the boys who grew up together in the same London neighbourhood are now going to grow rich together, and quick. As with the best laid plans, they'd not counted on a few bumps along the way in the form of the intrepid fraud investigator who picks up on their trail, and Pam, the femme fatale whose sari blouses leave less to the imagination than bikinis, who has her eye set firmly on Jai. Knowing you have to risk it big to make it big, the boys put everything on the line in this high-speed thrill ride of a novel. But will they come out laughing or are they walking into a trap?

NEW YORK TIMES BESTSELLER • In this thoughtful and revealing memoir, readers will accompany one of the world's most recognizable women on her journey of self-discovery. "I have always felt that life is a solitary journey, that we are each on a train, riding through our hours, our days, our years. We get on alone, we leave alone, and the decisions we make as we travel on the train are our responsibility alone. . . ." A remarkable life story rooted in two different worlds, Unfinished offers insights into Priyanka Chopra Jonas's childhood in India; her formative teenage years in the United States; and her return to India, where against all odds as a newcomer to the pageant world, she won the national and international beauty competitions that launched her global acting career. Whether reflecting on her nomadic early years or the challenges she has faced as she has doggedly pursued her calling, Priyanka shares her challenges and triumphs with warmth and honesty. The result is a book that is philosophical, sassy, inspiring, bold, and rebellious. Just like the author herself. From her dual-continent twenty-year-long career as an actor and producer to her work as a UNICEF Goodwill Ambassador, from losing her beloved father to cancer to marrying Nick Jonas, Priyanka Chopra Jonas's story will inspire a generation around the world to gather their courage, embrace their ambition, and commit to the hard work of following their dreams.

I am Lakshmi Prasad, native of Bihar. I am doing PhD on a very important subject "Mating habits of gay chimpanzees in West Africa" at PANU University, the best University in India and possibly the best University in the world. My idols are "Faizal Guru", "Janab Kasab Sahib", "Focus Carat", "Baba Badkar", "Zakir Nalayak", "Gharkha Dutt", "Dr. Kana Ayyub" and all PhD students who had committed suicide since they failed to solve their PhD problems. I personally feel that, all deprived Indians should automatically be awarded a PhD degree coupled with a free pension of 1 lakh rupees/month to be delivered in cash via post at door step. Till then we are going to fight for azaadi from India. Imagine a day, when no PhD student would have to commit suicide, imagine a day, when no lower caste will be humiliated by upper caste, s/he can use his/her doctorate degree and force others to call him/her Dr. X. Dr. Y .etc.

I don't write about my experiences with depression to defend the legitimacy of my pain. My pain is real; it does not come to me because of my lifestyle, and it is not taken away by my lifestyle. Unwittingly known as Alia Bhatt's older sister, screenwriter and fame-child Shaheen Bhatt has been a powerhouse of quiet restraint-until recently. In a sweeping act of courage, she now invites you into her head. Shaheen was diagnosed with depression at eighteen, after five years of already living with it. In this emotionally arresting memoir, she reveals both the daily experiences and big picture of one of the most debilitating and critically misinterpreted mental illnesses in the twenty-first century. Equal parts conundrum and enlightenment, Shaheen takes us through the personal pendulum of understanding and living with depression in her privileged circumstances. With honesty and a profound self-awareness, Shaheen lays claim to her sadness, while locating it in the universal fabric of the human condition. In this multi-dimensional, philosophical tell-all, Shaheen acknowledges, accepts and overcomes the peculiarities of living with depression. A topic of massive interest to anyone with mental health disorders, I've Never Been (Un)Happier stretches out its hand to genty provide solace and solidarity.

This book constitutes revised selected papers from the International Conference on Advanced Computing, Networking and Security, ADCONS 2011, held in Suratkal, India, in December 2011. The 73 papers included in this book were carefully reviewed and selected from 289 submissions. The papers are organized in topical sections on distributed computing, image processing, pattern recognition, applied algorithms, wireless networking, sensor networks, network infrastructure, cryptography, Web security, and application security.

This book gathers high-quality research papers presented at the Global AI Congress 2019, which was organized by the Institute of Engineering and Management, Kolkata, India, on 12–14 September 2019. Sharing contributions prepared by researchers, practitioners, developers and experts in the areas of artificial intelligence, the book covers the areas of AI for E-commerce and web applications, AI and sensors, augmented reality, big data, brain computing interfaces, computer vision, cognitive radio networks, data mining, deep learning, expert systems, fuzzy sets and systems, image processing, knowledge representation, nature-inspired computing, quantum machine learning, reasoning, robotics and autonomous systems, robotics and the IoT, social network analysis, speech processing, video processing, and virtual reality.

Vinod Acharya presents a new existential interpretation of Nietzsche's philosophy. He contends that Nietzsche's peculiar form of existentialism can be understood only by undertaking a thorough analysis of his characterization and critique of metaphysics. This reading remedies the shortcomings of previous existential interpretations of Nietzsche, which typically view existentialism as concerned primarily with the meaning of individual existence, and therefore necessarily at odds with the abstraction and objectivity of metaphysical thought. Acharya argues that the approach of Nietzsche's philosophy, especially in his mature works, is to make the typical existential position foundational, and then to develop to the fullest the implications of this position. This meta-existential approach necessarily yields an ambiguous and open-ended critique of metaphysics. Taking issue with the Heideggerian, the poststructuralist, and the naturalistic interpretations, this book contends that Nietzsche neither simply overcomes metaphysics nor remains trapped within its confines. Acharya argues that an ever-renewed encounter with and critique of metaphysics is an essential aspect of Nietzsche's meta-existentialism.

Are you stressed? The workplace has become increasingly competitive, family life has its never-ending complications, and when you step outside, you have to deal with heavy traffic, aggression, and massive pollution. No wonder that you're tense and agitated, have hyper reflexes and blood pressure that's higher than the midday sun. But you're not alone. Fifty percent of Indian professionals suffer from stress with stress-related diseases from depression to lack of fertility drastically on the rise. In I'm Not Stressed, Deanne Panday, one of the country's leading health and fitness experts, shares with you her secrets to tackle this looming lifestyle problem. She tells you what stress really means, how to know when you have a serious case of it, and most importantly how to deal with it through a simple plan of diet, exercise, sleep, meditation, and breathing. With advice from leading psychiatrists, cardiologists, endocrinologists, and celebrities who have to deal with high-level stress, I'm Not Stressed is your mantra for enduring health and happiness.

The Encyclopaedia Which Brings Together An Array Of Experts, Gives A Perspective On The Fascinating Journey Of Hindi Cinema From The Turn Of The Last Century To Becoming A Leader In The World Of Celluloid.

"Having been a born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt
