Silencing the Past: Power and the Production of History ...

The central hypothesis of this book, although not readily ascertained from an initial reading, is that those who manipulate power also manipulate the production of history. Michel-Rolph Trouillot repeatedly asserts that there has existed from time immemorial (and continues to exist today) a consistent conspiracy on the part of the powerful to ...

Trouillot's goal in *Silencing the Past* is to find "the many ways in which the production of historical narratives involves the uneven contribution of competing groups and individuals who have unequal access to the means for such production" (p. xix). He argues that by analyzing that power, by making it visible, we can understand how it works in the world.

Michel-Rolph Trouillot was a Haitian academic and anthropologist. He was Professor of Anthropology and of Social Sciences at the University of Chicago. Trouillot was best known for his books *Open the Social Science*, *Silencing the Past: Power and the Production of History*, and *Global Transformations*, which explored the origins and application of social science in academia and its implications in the world. Trouillot has been one of the most influential thinkers of Afro-Caribbean diaspora, because
