This book's concern is with notoriously obscure ancient poets-riddlers, whom it argues to have been an essential, albeit necessarily marginal, element of the literary landscape of Antiquity, which, in addition, exerted subtle yet lasting influence on European culture. The three first essays in this book trace a direct

line of influence between the early Hellenistic scholar-poet Simias of Rhodes, the late Republican Roman experimentalist Laevius and Constantine the Great's virtuoso panegyrist Optatian Porfyr, whereas the fourth essay discusses the preservation and transformation of the model invented by Simias in Byzantium. The Appendix reflects on the triumph of this intellectual paradigm in Neo-Latin Jesuit education by investigating the case of a peripheral yet highly influential Central European college at the turn of the sixteenth and seventeenth centuries. This book is at once a contribution to the scholarship on the reception of Hellenistic poetry and to the study of ancient 'technopaegnia' (i.e. playful poetry) and their cultural influence in Antiquity, Byzantium and post-mediaeval Europe.

Fate brings three women together for a chance to unlock their deepest desires. Mallory has the soul of an artist and an eye for beauty. She must find the Key of Light -- on the first of three dangerous quests that could fulfill her destiny ... or forever destroy her life.

four different perspectives, and it captures the surreal horror of life under the Soviet yoke." --Book Jacket.

The "Queen of Suspense" Mary Higgins Clark and Alafair Burke are here with their fifth enthralling mystery in the New York Times bestselling Under Suspicion series as television producer Laurie Moran must solve the murder of a celebrity doctor—before a mysterious stalker plots his next move. Television producer Laurie Moran recently became engaged to her investigative television show's former host, Alex Buckley, and since then, the two have been happily planning a summer wedding, preparing for Alex's confirmation to a federal judicial appointment, and searching for the perfect New York City

home for their new life together. But then Laurie is approached by Robert and Cynthia Bell, parents of Dr. Martin Bell, a physician who was shot dead as he pulled into the driveway of his Greenwich Village carriage house five years ago. The Bells are sure that Martin's disgraced and erratic wife, Kendra, carried out the murder. Determined to prove Kendra's guilt and win custody over their grandchildren, they plead with Laurie to feature their son's case on *Under Suspicion*, ensuring her that Kendra is willing to cooperate. As Laurie dives into the case, she learns that Martin wasn't the picture-perfect husband, father, and doctor he appeared to be and was carrying secrets of his own. And what does the web of lies ensnaring the Bell family have to do with a dangerous stranger, who gazes at Laurie from afar and thinks, *She is actually quite a lovely girl, I'm sure she's going to be missed...? You Don't Own Me* is the perfect, exhilarating follow up to the bestselling *Every Breath You Take*. The "Queen of Suspense" Mary Higgins Clark and her dazzling partner-in-crime Alafair Burke have devised another riveting page-turner.

COLLOQUIAL LITHUANIAN is easy to use and completely up to date! Specially written by experienced teachers for self-study or class use, the course offers a step-by-step approach to written and spoken Lithuanian. No prior knowledge of the language is required. material to accompany the course is available to download free in MP3 format from www.routledge.com/cw/colloquials. Recorded by native speakers, the audio material features the dialogues and texts from the book and will help develop your listening and pronunciation skills.

An autobiographical novel focuses on a young man trying to make sense of his place in the disjointed world that surrounds him.

Set in Rembrandt's Amsterdam, "An Obscure Man" is the story of Nathanaël—innocent, open to experience—born like Everyman upon the stream of life. In "A Lovely Morning," Nathanaël's young son joins a touring company of Jacobean actors. "Anna, soror . . .," the final tale, is an account of illicit passion in the baroque world of Naples. "An Obscure Man swarms with life. This intricately researched, imaginative, beautifully written tale of a young man's brief life in the mid-17th century is entirely engrossing."—Leona Weiss, *San Francisco Chronicle* "In these three stories, [Yourcenar] succeeds in making the essences of these past lives a part of the reader's future through the sheer intensity of their portrayal."—Margaret Ezell, *Houston Chronicle*

Betrayed by his lover's husband, Max Schmidt, the son of a furrier, escapes from the Nazi authorities in his native Germany and boards a ship bound for Brazil, but when the ship sinks, he is stranded in a lifeboat with only a hungry jaguar for company. Reprint.
