Spiritually Incorrect Enlightenment isn't One Kind of Enlightenment - It's the Only Kind THE MARK OF A TRUE MASTER is that he can express a subject of the utmost complexity with uncanny simplicity. Jed McKenna is such a master, and spiritual enlightenment is his subject. His first book, *Spiritual Enlightenment: The Dammedest Thing*, was an instant classic and established him as a spiritual teacher of startling depth and clarity. Now, his second book, *Spiritually Incorrect Enlightenment*, takes us on a fascinating tour of the enlightened state - what it is and what it's not, who's there and who's not, how to get there and how to get somewhere better. Delightful surprises abound, including the dramatic unveiling of perhaps the greatest spiritual masterpiece of all time - long hidden in plain view and well known to all. Whitman, Melville, Thoreau, Mark Twain and U.G. Krishnamurti all appear, and a student from the first book returns to share her *Spiritual Autolysis* journals. Also surprising are the author's gentle efforts to guide the reader away from enlightenment toward a more desirable and accessible state. Failing to fetch me at first, keep encouraged, Missing me one place, search another, I stop somewhere, waiting for you. - Walt Whitman Jed McKenna's books aren't for everyone. They're for people who are tired of the spiritual merry-go-round and ready to confront the unadorned reality of the awakening process. If you like your teachers with all the spiritual trimmings and trappings, Jed may not be right for you, but when you're ready to jump off the merry-go-round and begin your journey, Jed McKenna is the guy you want to see standing there, waiting for you.

The spiritual path is like any other road-it's going to have its share of potholes and detours. Safe travel requires a quality rarely taught yet critically important in today's world: discernment. In *Eyes Wide Open*, Mariana Caplan supports us in cultivating the acute judgment and discrimination that will help us to live a spiritual life with intelligence, clarity, and authenticity. Is enlightenment less about fireworks and bliss and more about dismantling illusions? How do we fully integrate our practice into daily living? What's the best way to work with the ego and the shadow? *Eyes Wide Open* explores these questions and more, offering practitioners from any tradition-or those just getting started-a traveler's guide through "the labyrinth of increasing subtlety" that defines a genuine spiritual life. *Eyes Wide Open* has received the following awards: 2010 Gold IPPY-New Age (*Mind-Body-Spirit*) 2010 Gold Living Now Award-Enlightenment/Spirituality 2010 Silver Nautilus Award-Spirituality

More and more people are "waking up" spiritually. And for most of them, the question becomes: now what? "Information about life after awakening is usually not made public," explains Adyashanti. "It's most often shared only between teachers and their students." The End of Your World is his response to a growing need for direction on the spiritual path. Consider the book you hold in your hands Adyashanti's personal welcome to "a new world, a state of oneness."

"NEWLY REVISED EDITION" Haunted Universe is a journey into dark realms, an uncompromising presentation of the real cost of Awakening. Where other books have promised that the path to Enlightenment is one of joy, bliss and self discovery, this book makes no such claims. Haunted Universe does not attempt to gloss over, but actually emphasizes what those who embark on the path of Enlightenment must face about themselves and their lives before they dare make an incautious leap into a state that demands a confrontation with humanity's greatest fear-the loss of self.

Includes Deception: Your Mind is the Scene of the Crime, a play in 5 acts. "Jed McKenna is an American original." Lama Surya Das "Absolutely marvelous, splendid, perfect book!" Shri Acharya "These books have profoundly changed my life." C. Jensen "These books are precious gifts to humanity." E. De Vries "Thank you for the books. I've been waiting all my life for them." C. Vankeith "I can think of no other author I'd recommend more highly." M.R. Fleming "Jed McKenna's books are so compelling I can hardly put them down!" Ray Napolitano, Inner Directions Foundation "Jed's books have turned my entire understanding of life, enlightenment, spirituality and everything upside down. I want more!" M. Bhagat "Jed McKenna's description of life after enlightenment is so good that 99.9% of his readers might not understand how truly profound it really is." Satyam Nadeen, From Onions To Pearls

Guns and bombs are children's toys. A true war wages, and you're invited. IT'S AN INVITATION you may not be able to accept if you want to, or decline if you don't. It's an invitation to fight in a war like no other; a war where loss is counted as gain, surrender as victory, and where the enemy you must face, an enemy of unimaginable superiority, is you. Jed McKenna is the author of *The Enlightenment Trilogy* and *The Dreamstate Trilogy*. The *Jed Talks* series continues to provide the same combination of humor, charm, and unparalleled mastery that has made Jed McKenna the clearest and most unique voice in human spirituality.

Within the traditional framework, the Christian notion of loss-of-self is generally regarded as the transformation or loss of the ego (lower self) as it attains to the higher or true self in its union with God. Thus, because self at its deepest center is a run-on with the divine, I had never found any true self apart from God, for to find the One is to find the other. Because this was the limit of my expectations, I was all the more surprised and bewildered when many years later I came upon a permanent state in which there was no self, no higher self, true self, or anything that could be called a self. Clearly, I had fallen outside my own, as well as the traditional frame of reference, when I came upon a path that seemed to begin where the writers on the contemplative life had left off. But with the clear certitude of the self's disappearance, there automatically arose the question of what had fallen away--what was the self? What, exactly, had it been? Then too, there was the all-important question: what remained in its absence? This journey was the gradual revelation of the answers to these questions, answers that had to be derived solely from personal experience since no outside explanation was forthcoming.
